To our valued Patients and Friends,

It is with great pride that we formally announce the transition of our family dental practice into the capable hands of **Dr. Michelle Ayoroa-Perez!** Dr. Ayoroa-Perez has a tremendous educational resume, and years of experience with advanced dental procedures. *(And she has a really cute little dog, Captain!)* The name of the practice will officially become **"Shipleys Dental Care."**

We will continue to practice dentistry here, alongside Dr. Ayoroa-Perez, as will Sally McCarl Moore and the rest of the staff you know and trust. The name may be changing, but the office will remain the same. It has, and always will be, a caring place that provides high-quality dentistry to meet the basic and advanced dental needs for you and your family.

We would also like to invite you to our **Open House on Friday, June 27th at 4pm!** There will be a formal ribbon cutting ceremony by the Severna Park Chamber of Commerce. Refreshments, goodie bags and fun give aways to be had. Please stop by and join us!

Our best to you,

Drs Clayton and Jay McCarl
